

	Part Number	Net Weight
4050 HF SDR Transceiver with Control Handset Package	BC405002	4.95kg

Standard features:-

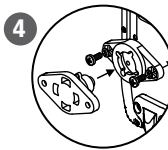

- 1000 channels with frequency range 1.6 to 30 MHz
- 1000 contact entries
- Power Output 10/30/125/150 Watt, Power input 12/24V DC nominal
- Software defined core & DSP
- Modes USB/LSB/CW/AM/CF (Custom Filter)/ ISB (Data option)
- Digital Selective Calling
- GPS enabled (Hardware required)
- ED-137c VoIP Interoperability

Optional features include:-

- 2G ALE
- 3G ALE
- Secure call
- Frequency hopping
- Digital voice
- Secure Digital Voice
- GPS Push (Map & Track Option)
- ARINC

Notes:-

- For Mobile configuration See P/N BC405012
- AC/DC power supply (BC402201) and Rack Mounting kits need to be ordered separately

Includes:-

- 4050 Control handset
- 4050 HF SDR Transceiver body
- Control Handset cable (6m)
- Control Handset EZ - On/Off RAM MOUNT™
- External Loudspeaker
- DC power cable and connector - 6 metres
- Operation and installation manual

- BCA40500
- BC40500
- BCA40502
- BCA40503
- BCA40015
- BCA40006
- BCM40500

Includes:-

1	4050 Control handset	BCA40500
2	4050 HF SDR Transceiver body	BC40500
3	Control Handset cable (6m)	BCA40502
4	Control Handset EZ - On/Off RAM MOUNT™	BCA40503
5	External Loudspeaker	BCA40015
6	DC power cable and connector - 6 metres	BCA40006
7	Installation Kit	BCA40004
8	Universal mobile mounting plate for 4050	BCA20003
9	Operation and installation manual	BCM40500

	Part Number	Net Weight
4050 Control handset	BCA40500	250g

The 4050 Control Handset can connect to both the front and rear of the Barrett 4050 HF SDR transceiver and be used as the primary control interface, completely replacing the standard 4050 HF SDR Transceiver front control panel or as a secondary interface in conjunction with the standard control panel.

Control Handset Cable (6m)	BCA40502	400g
----------------------------	----------	------

The Control Handset Cable connects the Control Handset to the Barrett 4050 HD SDR Transceiver. It has an overall length of 6m and includes an auxiliary speaker jack.

Control Handset EZ - On/Off RAM MOUNT™	BCA40503	50g
--	----------	-----

Quick release attachment makes removing the handset a simple and uncomplicated one-hand twist operation when fitted to vehicle/vessle dash boards/control panels.
