KENWOOD Listen to the Future

Kenwood's compact and rugged TK-2302/TK-3302 transceivers represent ergonomic and quality excellence. Based upon a proven design with enhanced features, it has the power and performance to satisfy the toughest job requirements. You will immediately appreciate how easy it is to use and enjoy features such as scan, built-in VOX, and long battery life. It has reliable performance in all conditions, thanks to MIL-STD 810 & IP54/55 weatherproofing. Indoors or out, rain or shine, the smart new high-powered on-site radios are star performers!

COMPACT DESIGN

The TK-2302/3302's rounded ergonomic contours naturally fit the hand for a superbly comfortable hold, while the non-slip elastomer channel knob with improved torque characteristics ensures positive select operation.

TOUGH & WATER RESISTANT

Built tough to take rough treatment in stride, the TK-2302/TK-3302 has passed the demanding IP54/55 dust and water intrusion tests, both with or without the KMC-45 optional speaker microphone. They meet or exceed 11 stringent MIL-STD 810 C/D/E/F environmental standards including driven rain. So, whatever the weather, the radios are ready for action.

FUNCTION KEYS

The two side PF1 and PF2 keys make functions easily available on the TK-2302/TK-3302, with PF1 key for activating the Lock function and PF2 key for Scan w/temp delete function permitting a custom usage for specific users.

LOCK

Lock all user controls (except PTT and volume) to prevent accidental channel changes.

SCAN

Scanning is a simple way to monitor multiple channels and the TK-2302/TK-3302 (16-channel capacity) offers scan modes.

VOICE ANNUNCIATION

When you select different channels, these radios can be set to provide voice annunciation channel numbers.

WIRELESS CLONING

This wireless feature simplifies the setup of several radios to function identically and eliminates repetitive setup actions of individual radios. (Dealer function only)

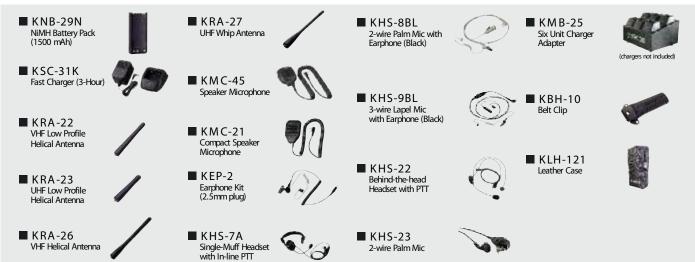

ACCESSORIES INCLUDED

- 12-Hour NiMH Battery (5-5-90)
- 3-Hour Fast Charger
- Spring Action Belt Clip
- Removable Antenna

OTHER FEATURES

- Weighs only 9.9 oz
- VOX Hands-Free Operation
- Time-Out-Timer
- Low Battery Warning
- 2-Year Warranty

IP54/55

Dust & Water Protection

*To meet IP54/55, the 2-pin connector cover has to be connected on the radio or the locking bracket has to be attached to the KMC-45 external speaker microphone.
